

### Camp- Suggested Kit List

The following is only a guide and we would ask that your cub helps you pack the bag as they will need to know where things are whilst we are at Camp-if possible we suggest that the pyjamas/nightwear is packed with the sleeping bag as this obviously makes things easier for them.

| <input type="checkbox"/> Sleeping bag                       |  |

All items should be clearly marked with your child's name. If you have no hiking boots please can you send an old pair of school shoes or an additional pair of trainers. This should be extra to the shoes that they will be wearing with their uniform.

Some of the activities will require long sleeves to be worn and also long bottoms as well so please ensure that at least one of each is packed.
